

# Would you like a **QUICKSTART TO COLLEGE?**

***Prepare for college success and earn college credit at the same time!***

If you are enrolled, or plan to enroll at Lakeland Community College for the fall semester, the Men's and Women's Centers are offering a six-week college prep option that will:

- Refresh your math skills to help you get higher scores on the placement test (if you wish to retake it).
- Help you learn to take an online class. Class includes both in-person and online instruction.
- Allow you to earn one credit hour toward your degree.

**Students who successfully complete Quickstart to College will earn credit for the First Year Experience course (FYEX 1000).**

We are currently enrolling a limited number of students. Tuition and book costs are waived for all students. Class will involve a combination of in-person and online instruction, meeting on campus Tuesday mornings.

**Lakeland**  
COMMUNITY COLLEGE

**Quickstart to College  
begins June 28!**
